Havre
MSU Northern
300 11th Street West
Higher Science Cntr.-Room 202

Workshop Descriptions

Session 1: Use and Interpretation of the Wechsler Individual Achievement Test-III (WIAT-III)

The workshop will very briefly review the structure of the revised WIAT-III and the changes from the second edition. Information on new content area subtests and derived scores will be presented along with a longer, more detailed discussion of interpretation of test results and explanations of how WIAT-III results can be effectively used in linking assessment with intervention.

Session 2: Use and Interpretation of the Weschsler Adult Intelligence Scale-IV (WAIS-IV)

The workshop will very briefly review the revised structure of the WAIS-IV and the changes from the second edition. Information on new subtests and derived scores will be presented along with a longer, more detailed discussion of interpretation of test results including the new GAI and Index and subtest level interpretive frameworks including an information processing approach to the analysis of subtest level performance.

Agenda

8:30-11:30 – **Session 1: Use and Interpretation of the WIAT-II**
11:30-12:30 – Lunch (on your own)
12:30-3:30 – **Session 2: Use and Interpretation of the WAIS-IV**

**Continuing CEU credit will be awarded*
